FOOD *and* TRAVEL

SPECIFICATION

Adverts:

Dimensions for adverts (width x height):

Leaderboard	728px x 90px
Banner	728px x 90px
Skyscraper	160px x 600px

Technical specification:

Adverts can be supplied in GIF, JPG, PNG or SWF format according to the dimensions given above. File sizes should not exceed 40KB. In the case of flash files (SWF), 40KB is the initial download size. We do not recommend using Flash due to compatibility issues.

Specifically for flash files:

Adverts supplied as a SWF must also be supplied with a backup file in GIF format as well as a modified clicktag. The clicktag needs to be the following:

```
on (release) { if (_root.clickTAG.substr(0,5) == "http:") { getURL(_root.clickTAG+"&ad_id="+_root.ad_id, "_blank");}}
```

Animated banners should not run for longer than 10 seconds.
